

3D Systems SLA-250/50 Machine

System Information

Date of manufacture:	1998
CE approval:	Yes
Laser System:	Spectra Physics solid state laser, RPS upgrade
Power at vat:	45 mW
Computer operating system:	Dos
Buildstation software:	4.0
Vat:	One full vat is being supplied with lid
Build Platforms:	Two build platforms will be supplied
Resin:	DSM, subject to an ongoing agreement
Overall machine condition:	Excellent
Service History:	Maintained by RP Support
Availability:	Ex Works
